HANNA STILL AT THE HELM.

Emphatically Denied He Would Resign as Republican National Chairman.

CLEVELAND, June 8.—Senator Hanna flatly denied the report sent from Washington that he intended to retire from the chairmanship of the national Republican committee.

"It's a sheer fabrication," said the senator. "I don't see how or by whom the story could have been started. There is no basis for it. I shall retire from the chairmanship when my term is up, of course, but you can say that I fully expect to call the next national convention to order."

Experts Reel to Resign.

NEW YORK, June 8.—A member of the law firm of Sampson, Thatcher & Barnum said that the published story that Speaker Reed would remain a member of congress, although giving up the speakership, seemed to him ridiculous, although he had not seen Mr. Reed for some time. Mr. Thatcher said that it was his expectation that Speaker Reed would resign from congress.

Will Support Henderson.

TOKYO, June 8.—Kansas Republican congressman, Curtis being absent, decided to support Henderson for speaker.

DETROIT, June 8.—Michigan Republican congressmen will support Henderson.

Issue Man With a Pistol.

PITTSBURGH, June 8.—Owen Lavin, operator of the elevator in the dining department of the West Penn hospital, became violently insane and attempted to shoot Superintendent C. S. Howell and several other employees of the institution. He took possession of the institution and defied resistance for almost half an hour, chasing the hospital staff and others from the institution to the hillside surrounding the building. Police subdued him after a struggle.

FOR THE PUBLIC GOOD

The Information Contained in This Citizen's Statement is Invaluable to Akron People.

When a resident of Akron whose statement appears below, who has no monetary interest in the article which he endorses, who is anxious to do a good turn, who publishes in this paper his experience with Doan's Kidney Pills—that citizen must have good and sufficient reason for doing so. The following shows the kind of troubles which may have existed in the reader's mind on this subject:

Mr. B. A. Closson, of 213 East Chestnut st., says: "I suffered exceedingly from pain and lameness in my back and was much embarrassed with too frequent action of the kidney secretions. I had no strength in my back, was weary and exhausted mornings, my food did not digest. Learning about reliable people taking Doan's Kidney Pills I was induced to procure them from Lamparter & Co.'s drug store and take them. My back was much better and there has been no return of my old condition since I stopped the treatment. I highly recommend Doan's Kidney Pills for backache and kidney trouble."

Doan's Kidney Pills for sale by all dealers, price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y. Sole agents for the U. S. Remember the name Doan's and take no other.

May Await Dewey's Opinion.

WASHINGTON, June 8.—When the attention of the secretary of the navy was called to the very small amount of money thus far contributed for a home for Admiral Dewey, he said that he thought it indicated a lack of appreciation of the admiral, but rather an inclination to wait some expression of opinion from him as to whether such a gift would be agreeable to him or not.

No Regular Naval Transport.

WASHINGTON, June 8.—The navy department ordered the Buffalo to be put out of commission, thus indicating the abandonment of the project of maintaining a regular naval transport service across the Atlantic and by way of the Mediterranean to Manila.

Commander Ackley Ill.

WASHINGTON, June 8.—A cablegram from Manila to the navy department states that Commander Seth Ackley, who only recently was sent out to take command of the U. S. S. Concord, has fallen ill and been sent to the naval hospital at Yokohama.

Little Relief Promised For the Country Unless Local Showers Occur.

WASHINGTON, June 8.—The maximum temperature was 97, a degree hotter than the day before. The thunderstorm which had been promised by the weather bureau as an interlude in the long hot spell apparently was no nearer last night than it was 24 hours before. The city suffered intensely with the heat, but the absence of unusual weather conditions was a relief. There was still hope for a storm that would clear the air, but that hope was beginning to grow more slender. The general situation was improved on the North Atlantic coast.

There was a drop of 32 degrees in 24 hours at Boston, and New York last night was reported 6 degrees cooler than the night before. On the other hand, the maximum temperature had risen at points south, Lynchburg 96 and Nashville and Chattanooga each 94. Little relief was promised the country at large except from local storms, and the indications being that the hot wave was as long lived as it was widespread.

One Victim From Cleveland.

NEW YORK, June 8.—Three additional deaths and seven serious prostrations were reported. A man believed to be a citizen of Cleveland, who had been taken from the heat, died later. He was about 40 years old, well dressed and had \$300 in cash in his pockets. A telegram was found stationing him at the Hotel Hamilton in Cleveland, O., and addressed to "J. Meyer, 195 Broadway." It reads: "Come back as soon as possible. Mrs. Meyer."
